Cornell University requires additional supporting documents: [College Report](#) and [Mid Term Report](#). These documents can also be found in the Common Application's [offline forms](#) section.

Supporting material is required of all Transfer Applicants. For more information on supporting material requirements, please view section 6 on this page:

- IF students need to submit this, find it under:

 - Go to the individual institution
 - “Documents”
- Fill out your student information and include QCC ID#
- Provide document(s) to QCC Assistant Dean of Students, Mr. Jason Kurland, [Room 383A](#), with the receiving University’s ***FAX number OR email, OR a stamped, addressed envelope.***
