RESILIENCE

THE BIOLOGY OF STRESS & THE SCIENCE OF HOPE

fig1

DOCUMENTARY FILM PRESENTATION:

"RESILIENCE explains the health-care issues that confront us directly and indirectly on a daily basis. But more than that, RESILIENCE gives us the solution to this problem. It's a film every educator, health-care provider, and lawmaker should see." – Pamela Powell

JOIN US:

Tuesday, April 10, 2018
7:00 P.M. -8:30 P.M. in the Hebert Auditorium
Quinsigamond Community College
