A student may withdraw without academic penalty through the tenth week (or equivalent) of class. Without academic penalty is defined as the grade will not impact the QPA. After the tenth week (or equivalent) through the last day of the semester the student must obtain the instructor's signature. The instructor will designate if the student withdrew while passing ('W' grade) or withdrew while failing ('F' grade). Please review the Grading Policy in the College Catalog for more information.

*Please Note: Withdrawing from one or more courses can impact course sequencing, pre-requisites, financial aid, and/or family medical insurance.*
