

During the final week of classes, Wednesday, May 2 through Tuesday, May 8, day classes (defined as Monday – Friday that start before 4PM) are assigned a two-hour block of time. This period of time may be used for final exams, classroom instruction, or other types of evaluation as the instructor may choose.

If a course does not fit exactly into one of these time modules, it assumes the closest time module for that time. For example, if a class meets on MW from 9:30 a.m. – 10:45 a.m., it would be assigned to the MWF 9:00 time slot.
